The Director chaired the meeting.	25X1
Lehman said an Alert Memorandum on Spain is being coordinated today. In response to Mr. Carlucci's reservations, NIO will review it with him in draft.	25X1 25X1 25X1
At Hitz's request, the Director described his meeting with HAC Chairman Addabbo. The Director said he briefed Addabbo on the Boland and Bayh meeting with the President. The Director said he reminded Addabbo of his request made months ago that the HAC S&I Team not begin a study on the CIA/NSA SIGINT interface; that a study had already been done and another one now would be disruptive while the new CIA/NSA program gets underway. The Director said that Addabbo told him the "interface" review would be delayed until fall.	25X1
Hitz called attention to a letter from Representative Ichord which commented on the House Armed Services Subcommittee's handling of material from the hearing at which NIO testified on technology transfer, the classification of his statement, and CIA responsiveness to Committee	25X1
requests for information. Ichord also asked that he be provided with a copy of the report entitled "USSR Seeks to Build Advanced Semi-conductor Industry with Embargoed Western Machinery" on 20 June.	25X1 25X1

The Director told Hicks that he would like to see over the weekend what NFAC is preparing for his use at Senator Proxmire's hearing on June 26 on Allocation Resources in the Soviet Union and China. He asked that an NFAC military expert be available at the hearing. The Director asked Hicks to provide him any additional material for study this weekend that is being prepared for the President's trip to Tokyo.	25X1
Calling attention to an article in today's <u>Washington Post</u> by Amran Katz, the Director noted that the article is illustrative of the kinds of challenges that will surface during the SALT debate.	25X1
The Director said that SALT will be our most important focus for the next several weeks and emphasized the need for us to maintain the integrity of our analysis which will be subjected to several pressures. He said he expects to complete his draft testimony on Verification and the Strategic Balance during the weekend. In this regard, he said that he is establishing a small team (Bruce Clark, under Hicks to assist him in preparing for the critical phase of testimonyresponses to questions. Hitz asked that someone from DDS&T be added to the team; the Director said he will consider.	g
The Director said priorities for next week will be getting the Presider ready for Tokyo, and dealing with fallout from the SALT signing in Vienna. McMahon asked how the Director plans to deal with dissent within the Community, e.g., the Soviet Backfire bomber in relation to SALT. The Director said he plans to work this out with Community leaders next week.	nt 25x1
